Title	Page
A case report of quetiapine intoxication in our intensive care unit and literature review	129
Anesthesia for urological procedures	35
Anesthesia management in double balloon enteroscopy for a patient with hereditary hemorrhagic telangiectasia (Osler-Weber-Rendu)	73
Are code blue calls being used appropriately?	111
Assessment of YouTube videos on ultrasound-guided lower extremity peripheral nerve blocks	12
Causes of prolonged ICU stay: a retrospective study	103
Combinations of fascial plane block techniques: a new era and broad horizons in anesthesia and analgesia management	134
Comparison of interleukin-6 receptor antagonist and pulse steroid therapy in critically ill patients with COVID-19: retrospective analysis	7
Comparison of recovery and side effects after optimal isoflurane/sevoflurane/desflurane anaesthesia with BIS monitoring in patients undergoing laparoscopic abdominal surgery	77
Effects of smoking on postoperative pain and opioid consumption in patients with major abdominal oncological surgery	54
Evaluation of nutritional status in intensive care unit patients	98
Examining the effects of lidocaine and dexmedetomidine on compound action potential in rat sciatic nerve	18
From anesthesia to healing: the potential of topical sevoflurane in enhancing wound repair	1
Hyperbaric oxygen therapy in emergencies: approaches to mechanical ventilation and anesthesia	67
Impact of consecutive earthquakes on pediatric anesthesia and analgesia practices in Türkiye	48
Innovations in pediatric airway management	122
Our anesthesia experience in a case with Giant Goiter	107
Perioperative SARS-CoV-2 screening and comparison of immunoglobulin values, a retrospective study	61
Predictive role of neutrophil-to-lymphocyte ratio (NLR) in the progression of COVID-19 patients in intensive care unit	40
Relationship between burnout levels of doctors and healthcare members working in intensive care units and sociodemographic variables	83
Retrospective evaluation of patient-controlled analgesia practices in a tertiary care hospital	93
Retrospective investigation of cases diagnosed with brain death	24
The effect of dominant hand on laryngoscope use in medical students	116
Traditional and complementary medicine practices in postoperative analgesia	29
